What's in it for you?

If you are...
Technical staff

- ✓ Thematic solutions
 - Reality-check
 - Step-by-step guidance
 - Detailed actions
 - Suggested indicators
 - GHG mitigation potential
- ✓ Case studies
- ✓ Tools and other resources
- ✓ Access to experts
- ✓ Finance tool (coming soon)

Practice oriented resources

 Experts

 Finance Tool

Pool of experts:

Network of experts who can provide guidance on strategic, technical, organizational and financial issues to support Low Emissions Development. Namely to build capacity to develop bankable project concepts for sectors such as energy, transport, buildings, waste, smart urban infrastructure, urban planning, etc.

Practice oriented resources

 Experts

 Finance Tool

Finance tool:

Helps Local Governments identify possible financing options to implement selected projects and realize their Low Emission Development Strategies.

Includes a decision-making map and is supported by a database with case studies.
