

How can the Solutions Gateway help your city develop projects?

Throughout the life-cycle of low-carbon projects...

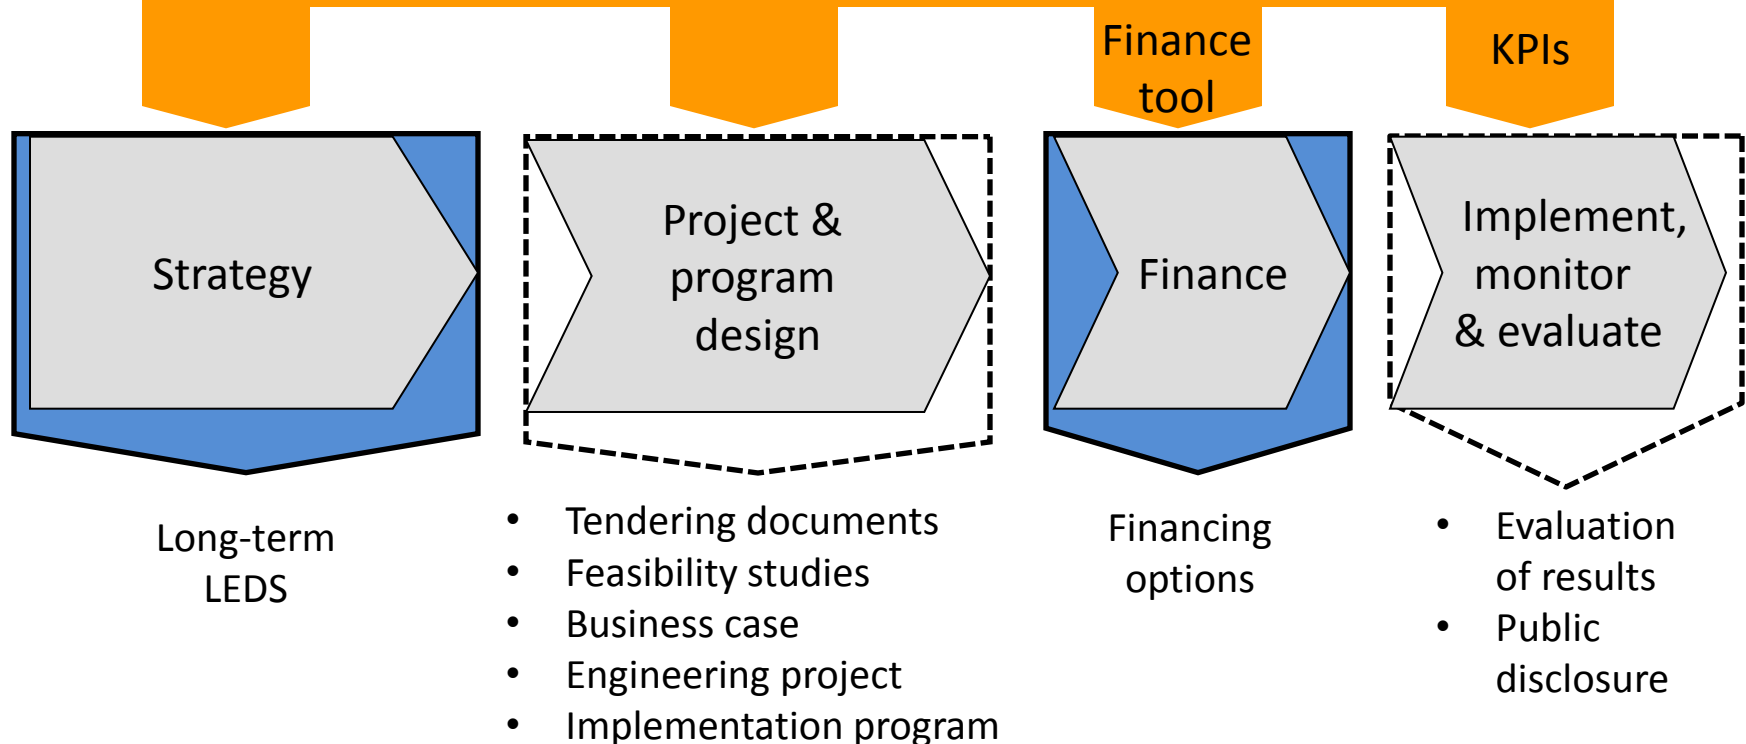

...the Solutions Gateway provides guidance...

...to build your city's internal capacity for producing key deliverables.

solutionsgateway

Packages, Solutions, Case studies, Pool of Experts

Thus helping your city to:

- Make evidence-based decisions
- Develop project funding and finance models
- Deliver climate change mitigation and sustainable development on the ground
- Track performance and demonstrate results
- Give visibility to its initiatives.

Solutions Gateway

Low Carbon Solutions for Urban Development Challenges

START EXPLORING!

www.solutions-gateway.org

The Solutions Gateway was developed under the Urban-LEDS project, implemented by ICLEI and UN-Habitat.
